Housing Authority of the City of Slidell

*You can only apply online at [www.slidellhousingauthority.org](http://www.slidellhousingauthority.org) but if you need special accommodations, please contact (985)726-9000.*

HACS does have a working local preference policy; as well as giving a preference to Slidell residents. That is, priority is given to heads of household, who are working and families that reside in Slidell upon making application. The only families exempt from these approved preferences are elderly and disabled. This does not prevent other families from applying; it simply means that the preference families, elderly and disabled will be processed as a priority.
